

MYYA SANDERS

Rock Hill, SC | (803) 209-7029 | Myvanoelle@gmail.com

GitHub: github.com/sanders-code | LinkedIn: linkedin.com/in/myya-sanders

EDUCATION

University of South Carolina, Columbia, SC

Bachelor of Science in Engineering

Expected Graduation: May 2029

TECHNICAL SKILLS

Programming: Python, Java, HTML, CSS, UNIX/Linux

Tools & Platforms: GitHub, Eclipse, Unity, Dell KACE

Core Competencies: Object-Oriented Programming, Networking Basics, Cybersecurity Fundamentals, Troubleshooting, Version Control

PROJECTS

Personal Portfolio Website

- Designed and deployed a responsive portfolio website using HTML, CSS, and GitHub Pages
- Showcases technical projects, coding skills, and development workflow
- Applied version control and web design principles to create a professional digital presence

IT Systems & Network Support (Hands-On Work)

- Applied structured cabling techniques including installation of keystone jacks and patch panels
 - Assisted in configuring and maintaining IT infrastructure in a real-world campus environment
 - Strengthened practical knowledge of networking, hardware systems, and troubleshooting
-

PROFESSIONAL EXPERIENCE

IT Support Student Assistant

University of South Carolina | January 2026 – Present

- Provide technical support to campus users by diagnosing and resolving hardware and system issues
- Install and maintain structured cabling systems, ensuring reliable network connectivity
- Manage IT assets and system configurations using Dell KACE and related tools
- Adapt quickly to new technical challenges in a fast-paced support environment, demonstrating problem-solving and resilience

Clubs

Society of Black Women in Engineering & Computing — Event Coordinator

- Plan and coordinate events that promote diversity, inclusion, and engagement in STEM fields
- Collaborate with peers to create opportunities for networking, mentorship, and professional development

MAPP Program (Mentorship & Academic Support) — Mentee

- Participated in mentorship and academic development programs focused on student success and growth
- Engage in activities that strengthen leadership skills, accountability, and long-term goal planning

CERTIFICATIONS

- Dell Storage Corrective Maintenance Certification
- Dell Client Foundations (2025)
- CESER – Cybersecurity for Energy Infrastructure
- Data Visualization Certification
